

107 backs + 127 cushions = 234 reasons to choose MaTRx!

This workshop will give you, a better understanding of the prescription process for probably the best and widest back support system in the world. This will be done in what's guaranteed to be a fun, informative and hands on session, giving you the confidence to get it right first time, for yourself and your clients.

From assessing and measuring the client, to cushion and back support selection. Which size and shape to choose, as well as interfacing solutions. We at Consolor look forward to seeing you there.
